

Tabular Summary of the Synopsis for a Publication Dissertation

Surname, first name: _____

Title of dissertation: _____

Supervisor: _____

The following tabular summary of the information that you provided in your synopsis (Manteltext) will be used by the Doctoral Thesis Committee to preliminary assess whether the type, scope and quality of your dissertation probably meets the principle requirements for a doctoral degree and can therefore be submitted to the reviewers. Please also consider this overview as a chance to clearly present the essential issues, content, and results of your doctoral work for people who do not have in-depth knowledge of it. "Summary" means that you briefly present the essential information. Please make use of abbreviations / headings only if they are significant for impartial readers.

This tabular summary will be put on file and does not need to be included in your dissertation.

<p>To which scientific field does your doctoral project belong? If your project is interdisciplinary, please elaborate on the scientific fields involved.</p>	
<p>Please give a brief summary of the current state of research achieved thus far on your topic.</p>	

<p>Please depict the topic of your doctoral project and in this context elaborate on the hypotheses that you tested.</p>	
<p>Please present the methodology that you used.</p>	
<p>Please present your results and particularly elaborate on further scientific questions arising from your results and on possible clinical applications.</p>	

<p>If your dissertation is based on more than one publication, how are your results distributed in these different publications?</p>	
<p>If you pursued your doctoral project in collaboration with other researchers, please give a detailed account of your contribution and your accomplishments.</p>	
<p>Is there anything else about your doctoral dissertation that you would like to emphasize for the Doctoral Thesis Committee?</p>	

I hereby confirm that the above information is correct and in accordance with the statements made in my synopsis (Manteltext).
